Please write a statement that indicates your view on issues facing INA. Indicate why you want to serve in this role and why you are best qualified to carry out the duties of this office? This statement will be shared publicly with the membership.

My thoughts are that the INA faces tough challenges and try to be proactive in a variety of areas, specifically nurse burnout as well as short staffing/safe nurse to patient ratios. I stand behind the INA. I want to continue to serve in the Nominations Committee. I feel that I am qualified as it is a role that I currently am involved in and want to continue to make a difference and be a part of an organization that advocates for the nursing community.
